COMPASSIONATE CARE CLOSE TO HOME

For hospice patients needing more intensive care than can be provided at home, our Kate B. Reynolds Hospice Home promises compassionate care in a comforting, family-like environment. We know there are times when the challenges of an illness require skilled medical care around-the-clock. If that time comes, rest assured that our Kate B. Reynolds Hospice Home can ease the challenges of caregiving and give you peace of mind.

Caring for a loved one can be overwhelming, so we're here to support and welcome our hospice families. For many, being at our KBR Hospice Home means being totally focused on your loved one, while the caregiving is done by our professional team. Our KBR Hospice Home offers patients and their families a wide variety of services, resources, medical expertise, and compassion when they need it most. After all, every moment matters.

HOME AWAY FROM HOME

Your entire family is welcome at our KBR Hospice Home. We trust you will feel as close to home as possible and sense a warm embrace by the peaceful gardens and beautiful, wooded surroundings. Each patient has a private room with comfortable furnishings and a private bath. Shared amenities include lovely sun porches, family rooms, a meditation room, and tranquil outdoor patios and gardens. Regular meals and snacks are readily available to patients, and fully equipped kitchens are offered to families.

PEACE OF MIND AND HEART

For patients who require acute care, or caregivers needing respite, our KBR Hospice Home gives patients and their families confidence they are in the right place for personalized, expert care in a comfortable home-away-from-home.

Regardless of whether patients are being cared for in their own homes or at our KBR Hospice Home, our commitment remains the same—to provide medical, emotional, spiritual, and social support to keep the patient as comfortable as possible and to maintain the best possible quality of life for the patient and family.
