### WHAT HAPPENS AT CAMP CAROUSEL?

Campers connect with other kids their ages who are grieving. This is one of the greatest benefits that we hear about from campers each year! In small groups, campers explore feelings, healthy coping skills, and memories of their loved ones. Camp is a hands-on, engaging experience that supports campers through fun and creative group activities. Our art and music therapists lead some of these sessions, and our amazing group leaders are with their campers each step of the way. Campers will bring home art projects and reminders that will help them continue to share their stories at home.

### TELL ME MORE ABOUT TRIAD PARK! HOW WILL MY CAMPER GET THERE?

Triad Park is located in Kernersville, NC. Camp Carousel is based at Woodland Hall, with easy access to walking trails and inviting outdoor areas as well as an air-conditioned, comfortable indoor space. Camp activities begin and end at Trellis Supportive Care each day. Campers and their leaders will be transported to & from the park by a *Holiday Travel* motorcoach (one of campers' favorite parts of the week!).

## HOW CAN I SUPPORT MY CHILD DURING CAMP CAROUSEL?

We encourage families to take an active role in Camp Carousel! We will provide more details about an 'Intro to Camp' meeting for parents & guardians prior to camp. We'll also provide helpful resources during camp so that everyone can stay informed and engaged in sharing camp stories at home. Families are invited to join us for a special camp closing at the end of Day 2.

## WHO LEADS CAMP CAROUSEL GROUPS?

Trellis Supportive Care staff and specially-trained volunteers lead Camp Carousel small groups. Many of our leaders return to camp year after year. In fact, some of our volunteers have worked with camp for over 10 years!
