

Palliative • Hospice • Family Support

Offering In-Person & Virtual Workshops

All workshops are **Free of Charge.**

If you are unable to communicate your healthcare wishes, who will speak for you, and will they know what to say?

Advance care planning helps your loved ones and healthcare providers honor your goals and wishes if you are unable to speak for yourself. If you are ever in an accident, have surgery, or get a serious illness, you may need someone who knows your wishes to be your advocate.
