To Our Donors

"Perhaps they are not stars, but rather openings in heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy."

– Eskimo proverb

At Hospice & Palliative CareCenter we are passionate about the mission we carry out: delivering compassionate care and support to patients and families who need and deserve the best end-of-life care.

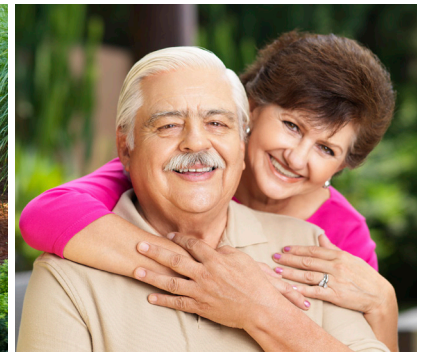

Countless times a family member has said, "I don't know what we would have done without you. Thank you." Those kind words are appreciated, and serve as a constant reminder that there is great meaning in the work we do.

Hospice cannot continue this purposeful work without your help. That's the simple truth. The kind of care that you find at Hospice & Palliative CareCenter includes so much that Medicare, Medicaid and other insurers simply will not cover.

Because of you...

*Hospice & Palliative CareCenter
cared for 2,200 patients and
families in 2012*

Because of you, our generous friends and committed volunteers, Hospice & Palliative CareCenter has 330 dedicated professionals ready to answer the call of those who need us; the men and women of our community with traditions, passions, memories, and families who are able to embrace hope in their final months. Your support of our mission has helped build and sustain a culture of compassionate care.

We are grateful for your gifts which ultimately help those who need us most. Through your memorial contributions, corporate donations and participation in fundraising events, you demonstrate a caring spirit. Within these pages, we have created giving societies to recognize you for your significant impact. "Circle of Care" recognizes annual gifts of \$1,000 and above, including memorial gifts. We are also pleased to list those who have made a lasting impact on the future of Hospice & Palliative CareCenter by including The Hospice Foundation in their estate plans. These donors are members of our Legacy Society, and we are grateful for their investment in our mission.

To those of you who are recognized within these pages, we sincerely thank you. Because of you, patients and families live more fully and comfortably. Your generosity is inspiring.

Thank you for your support,

A handwritten signature in dark ink that reads "Brian Payne". The signature is fluid and cursive, with the first name "Brian" being more prominent than the last name "Payne".
