

Volunteers, we invite you to help Hospice & Palliative CareCenter care for more patients and their families by referring your friends as volunteers.

For every friend you refer who registers and attends a 2017 Volunteer Information Session, you will be rewarded with a \$10 gift card or a coupon of approximate equal value to one of several local establishments. This offer is for a limited time until the gift cards and coupons run out!

Refer – a – Friend Questions & Answers

Whom should I refer? You may refer anyone you know – a friend, family member, neighbor or co-worker, who may be interested in sharing their time and talent with Hospice & Palliative CareCenter. If you love volunteering at HPCC, chances are they will too! We are in particular need of **Direct Support Volunteers** who visit patients who reside in their homes, in assisted living facilities, in long-term care facilities, or in the Kate B. Reynolds Hospice Home and the Glenn A. Kiser Home.

How do I refer a friend? Have your friend register for a volunteer information session. To register, your friend may email volunteer@hospicecarecenter.org or call **336-768-6157 ext. 1560 or 1-888-876-3663 ext. 1560**. When registering for an information session, ask your friend to list your name as the volunteer who referred him or her. **In order for you to receive a referral reward, your friend must attend an information session.** [Click here to see the 2017 Volunteer Information Session Dates.](#)

The gift cards and coupons are for which businesses? The selection of gift cards and coupons varies and you may choose which type of gift card/coupon based on availability. The gift cards/coupons have been generously donated by a variety of businesses, including PDQ, Barnes & Noble, Walgreens and Bed, Bath & Beyond.

When and where do I get my gift card? After your friend has attended the information session, we'll follow up with you. At that time, you may let us know if you want to pick up the gift card/coupon or if you would like for us to mail it to you.
